COVER MESSAGE

Examiner Zhen,

I am contacting you to request a telephone conference with you regarding this patent application. I have had major problems with the Examiner of record, Ted Vo. I would like to discuss this situation with you before it gets out of hand.

You may reach me any time at 786-443-7720 or via email at mark@terryfirm.com. I look forward to hearing from you.

Sincerely,
Mark Terry, Esq.
